ADVERTISING AND PUBLIC RELATIONS

Stand Out From The Competition

In a highly competitive industry, Brand Loyalty and Customer Perception can be the driving force of any brand. The technological advancement of today's fast-paced world enables brands to leverage several tools to creatively communicate their unique selling proposition in a way that resonates with their target audience. Traditionally, Public Relations involved writing press releases, communicate and articles intended to reinforce the overall impression of a brand.

Today, when brands engage in real-time advertising and public relations, the purpose is not to only strengthen or maintain their relationship with key stakeholders but also to be strategically positioned to create top-of-mind awareness.

Advertising and PR at ACity

Our Bachelor of Arts in Advertising and Public Relations is designed for students to engage with theory and contemporary practice, providing the necessary skills for employability within a start-up, a Communications department, creative agencies and wherever the practice of creative and external communications is integral to an organization and its brand.

This program reflects the current changing trends of the industry relevant to the local context. It is designed to meet the needs of the local industry, enhance student learning and increase employability and entrepreneurship.
